INFORMATION REGARDING ACCESS FOR GROUPS WITH MANDATORY BOOKING

(PINACOTECA NAZIONALE DI BOLOGNA)

Access for groups (8-25 persons) only with mandatory booking with the App io Prenoto
<https://ioprenotoapp.com>

The booking time refers to access to the Baroque section where the exhibition is currently set up. Groups must arrive at the museum 10 minutes in advance. The time allowed in the exhibition spaces (Baroque section) is 45 minutes. After this time, the room attendants may invite the groups to leave the section. Out of respect for everyone, the utmost punctuality is recommended.

The groups will then be able to visit the remaining sections of the museum.

Without a booking, access will not be possible. It is recommended that the slot be booked for the maximum capacity (25 people) so as to avoid other groups booking in the same time slot: payment both online and at the physical ticket office will in any case be made according to the actual number of participants in the visiting group.

The booking does not allow for preferential access to the ticket office.

Those in possession of the ticket purchased online can skip the line at the ticket office and go directly to the reception point on the ground floor.

No invoice or cumulative tickets will be issued.

On days with free admission, access for groups may be limited due to the limited capacity of the exhibition halls.

Please note that the use of a Whisper System (microphone and earphones) is required for accompanied groups.
